

OAKLAWN GARDEN

7831 Poplar Pike Germantown, TN 38138

Oaklawn Garden is six acres of azaleas, daffodils, shrubs, and trees that are cared for by Master Gardeners. The jewel of southeast Shelby County! Make sure you visit during the spring explosion of color! Usually the first two weeks of April.

Step into the past. See the farm equipment, explore the Red Caboose, the jail, the fire truck. Follow the brochure that explains the history of the artifacts you see. Check out the redwood, the fields of daffodils in March, the native azaleas, the boxwoods, the ferns and the list goes on! If you have questions we will make every attempt to answer them or see to it that we get that answer for you.

It is a peaceful place to escape the busy city!
